

CNUCOP Admissions Scholarships

for Fall 2022 First Year (P1) & Transfer PharmD Students

The CNUCOP Dean's Academic Excellence Scholarship and Admissions Scholarships are awarded, based on availability, and determined on the applicant's evidence of academic accomplishment, including the incoming cumulative grade point average (GPA).

- Criteria include the following:
 - Eligibility is based primarily on incoming cumulative GPA:
 - New P1s:
 - Cumulative GPA is the Overall GPA calculated by PharmCAS at the time of acceptance and verified at the close of the PharmCAS cycle. All previous fall, spring and summer classes for which grades are available must be uploaded and verified by PharmCAS before PharmCAS closes.
 - Late summer classes that have been taken by the student, but grades are not available until after PharmCAS closes, will not be included in the GPA calculation used to establish eligibility.
 - Transfer Students:
 - Domestic transfer students: Eligibility is based on cumulative GPA of previous the PharmD program.
 - International transfer students: Eligibility is based on WES evaluation of the cumulative GPA from the international PharmBS or PharmD program.
 - Scholarship renewal criteria:*
 - Based on our cumulative PharmD GPA, calculated annually, after spring semester grades are finalized.
- **Priority Admissions Scholarships:** Application received by December 1st and interview by February 10th. Priority Scholarships, based on availability, are determined, in part, as follows:

3.7	10 K	≥3.5
3.5	5 K	≥3.3
3.0	3 K	≥2.8
2.8	1 K	≥2.8

- **Non-Priority Admissions Scholarships:** After the priority deadline, scholarships may be awarded, based on availability. These are determined, primarily on GPA, as follows:

3.5	3.5 K	≥ 3.3
3.0	1.5 K	≥ 2.8

- *Reinstatement: If the cumulative GPA at CNUCOP falls below the threshold after spring grades are finalized at the end of the spring semester, the scholarship will not be awarded for the next year. However, if the cumulative CNUCOP GPA rises above the threshold at the end of the following year, the scholarship will be reinstated.
