Every year the College of Pharmacy selects a P1, P2, and P3 student that has displayed leadership and professionalism in the classroom to receive the coveted Student of the Year Scholarship.

Faculty members nominate students. The faculty member should submit a brief description, 500 words or less, of how the student has demonstrated professionalism and leadership in the classroom. This should include in-class attendance, engagement, participation, and discussion. This may also include helping other colleagues and teammates in class.

The student must have a GPA of 3.0 to qualify for the scholarship.

Please submit your nomination by February 23rd to allow the Scholarships and Awards Committee, at COPScholarships@cnsu.edu, enough time to rank the nominations.

Unofficial or official transcripts: Please print out one copy of your transcript from CAMS and submit it to Dr. Jennifer Courtney, Chair of the Scholarship and Awards Committee Faculty Office 235.

Students are encouraged to reach out to a faculty member of their choice if they feel they are eligible for this award and work with the faculty member to apply.
