1. Introduction.
The California Northstate University College of Pharmacy offers a number of scholarships and awards to qualifying students enrolled in our four-year Doctor of Pharmacy (Pharm.D.) program. Scholarship and award criteria vary but are typically based on academic performance, financial need, community outreach involvement, and professionalism or leadership skills. Please review the scholarship criteria listed below to determine eligibility. Please see the list on the next page.

2. How to Use this Document.
This document lists and details information regarding scholarships/awards available through: 1) the Northern California Education Foundation (NCEF), 2) California Northstate University’s Office of the President, and Office of the Dean. Scholarship or awards are listed and the eligibility criteria, award amount (if applicable) and tentative deadlines are outlined. It is the responsibility of the student to verify criteria, eligibility and deadlines as these are subject to change.

For awards/scholarships ranked by the Scholarships and Awards Committee, students must individually apply to each scholarship and/or award and submit a cover letter listing the name of the scholarship or award to which he or she is applying. Each student must also submit two copies of the required application documents electronically to COPScholarships@cnsu.edu. Wherever possible, please submit as one consolidated PDF. One copy of the application must be de-identified, meaning the students name and identification number should not appear on any of the application materials. Instead, please replace this information with “xxxx.” The de-identified applications will be ranked by the Scholarships and Awards committee members based on rubrics. All scholarship and award recipients will be recognized and honored at the Scholarship and Awards Ceremony held in the spring of each year. Please note, many of the scholarships and awards have different deadlines. Unofficial transcripts will be accepted and can be accessed via CAMS. Please print out one copy of your unofficial transcript from CAMS and submit it to Dr. Ashim Malhotra, Chair of the Scholarship and Awards Committee (Office 255). Please keep in mind transcripts from CAMS cannot be emailed due to security reasons. For additional transcript information, please visit the following website: http://www.cnsu.edu/about/registrar/registrar-request-a-transcript. Please direct any questions to Dr. Ashim Malhotra, Chair of the Scholarship and Awards Committee, by emailing COPScholarships@cnsu.edu.

4. Northern California Education Foundation Scholarships.
In addition to scholarships evaluated by the Scholarships and Awards Committee, there are multiple scholarships offered by third parties that specify their own application requirements and instructions. Of note, the Northern California Education Foundation (NCEF) offers the most merit based and need based scholarships, and any student that would like to qualify for a merit based or need based scholarship should apply through https://www.ncef-ca.org/scholarships.html. The deadline for applications to the Foundation is typically in early spring.

5. CNUCOP Scholarships and Awards Committee for AY 2018-2019.
