AWARDS

Faculty of the Year Award

This annual award is bestowed upon faculty for course design, delivery, scholarship, and helping to advance the science and art of pharmacy.

Selection is made via a survey administered to all students. Faculty with the largest number of votes is then submitted to the Dean to be considered further for scholarly activity.

Student of the Year Award

This annual award is given to a student who has gone beyond the call of duty to represent the College in the Community, assist other students, helped faculty and staff with projects. Leadership and professionalism will also be considered.

Selection is made via a survey administered to all faculty and staff. Finalists are reviewed by the committee to ensure good academic standing.

Staff Person of the Year Award

This annual award is given to a staff member who has shown outstanding service in helping students, identifying and carrying out projects to assist students, and exuding professionalism.

Selection is made via a survey administered to all students, faculty and staff.

Advancing Team Excellence Award

This annual award is given to a faculty or administrator and one student for outstanding performance in helping to advance team-based learning to faculty, staff, students, the community, or all of the areas listed.
A review is conducted by the Committee to select finalists based on activity. Finalists are then considered for final selection by Committee vote.

**DR. KEN MILLER AWARD**

**LILLY ACHIEVEMENT AWARD**

This award is given to a student who shows leadership and a keen interest in being an advocate for diabetes health care and prevention management.

The selection to award the Lilly USA, LLC donated *Diabetes Management in Primary Care, by Jeff Unger, MD* is made by the Committee based on the committee’s faculty member recommendations and proof of student leadership.

**OUTSTANDING TUTOR AWARD**

This annual award is given to a student who contributes the most hours helping to tutor fellow students, the number of students they tutor during the school year, and positive feedback from those that are tutored.
