CNUCOP SCHOLARSHIPS & AWARDS

Introduction

The California Northstate University College of Pharmacy offers several scholarships and awards to qualifying students enrolled in our four-year Doctor of Pharmacy (Pharm.D.) program. Scholarship and award criteria vary but are typically based on academic performance, financial need, community outreach involvement, and professionalism or leadership skills. Please review the scholarship criteria listed below to determine eligibility and/or visit their various websites. Please see the list on the next page.

How to Use this Document

This document lists and details information regarding scholarships/awards available through 1) California Northstate University's Office of the President, and Office of the Dean, 2) CNU Scholarships from external sources 3) the Northern California Education Foundation (NCEF), and 4) other external scholarships and awards. Scholarship or awards are listed and the eligibility criteria, award amount (if applicable) and tentative deadlines are outlined. It is the responsibility of the student to verify criteria, eligibility and deadlines as these are subject to change.

General Application Procedure for internal CNUCOP Scholarships & Awards

For awards/scholarships ranked by the Scholarships and Awards Committee, students must individually apply to each scholarship and/or award and submit a cover letter listing the name of the scholarship or award to which he or she is applying. Each student must also submit two copies of the required application documents electronically to **COPScholarships@cnsu.edu**. Wherever possible, please submit as one consolidated PDF. **One copy of the application must be de-identified**, meaning the student's name and identification number should not appear on any of the application materials. Instead, please replace this information with "xxxx." The de-identified applications will be ranked by the Scholarships and Awards committee members based on rubrics. All scholarship and award recipients will be recognized and honored at the *Scholarship and Awards Ceremony* held in the spring of each year. Please note, many of the scholarships and awards have different deadlines. Transcripts will be provided to the Scholarships and Awards Chair, Dr. Courtney, by the registrar. There is no need to submit a copy yourself. Please direct any questions to Dr. Courtney, Chair of the Scholarship and Awards Committee, by emailing COPScholarships@cnsu.edu.

Northern California Education Foundation Scholarships

In addition to scholarships evaluated by the Scholarships and Awards Committee, there are multiple scholarships offered by third parties that specify their own application requirements and instructions. Of note, the Northern California Education Foundation (NCEF) offers one of the most tuition assistance and need based scholarships, and any student that would like to qualify for these scholarships should apply through <https://www.ncef-ca.org/scholarship.html>. The deadline for applications to the Foundation is typically in early spring.

Christian Pharmacists Fellowship International Scholarship (CPFI)

Criteria: Christian pharmacy students are invited to submit applications for scholarships and, with the advice of an instructor or mentor, develop a plan or project that will provide the opportunities to develop the perspective, character and skills to achieve this goal. The focus of the CPFI Student Scholarship is to assist with the funding of scholarly components of the project and not routine expenses as travel, lodging or meals

Deadline: Application and all items should be submitted electronically via email to the CPFI Administrative Director at Office@CPFI.org to arrive at the CPFI office as follows:

Academic Term (semester or quarter)

Oct 1	January to April
March 1	May to August
June 1	September to December

Applicants will be notified soon after the committee has made a decision

Award: The Christian Pharmacist Fellowship International Scholarship is offering up to \$2,500 to students enrolled in accredited pharmacy colleges for the advancement of knowledge and ethics in the practice of pharmacy with an integration of faith. The scholarship award will be in \$50 increments up to \$250 depending on the nature of the plan or project and the number of applications. A budget representative of the cost of completing the plan or project will aid the committee in deciding the amount of the award.

Criteria:

- i. The applicant must be a student in good standing in an accredited North American pharmacy college/school or training program.
- ii. The applicant must be a current member of the national CPFI organization. Preference will be given to students who have been a member over a sustained period of time and/ or a member of a college chapter of CPFI; however, new members are encouraged to submit applications as well.
- iii. Completion of the official application form
- iv. Email of support from the Dean of your institution
- v. Resume or Curriculum Vitae (CV)
- vi. The plan or project must include the following elements:
 - o Title
 - o Objectives of the plan, project or essay/paper
 - o Method or mode of achieving the objectives, and include a log, notes, or other means of recording data and information.
 - o Criteria of other means of indicating success of meeting the objectives.
 - o List specifically scholarly needs. Specific scholarly activities must be included in the budget as these are the components this committee will consider to determine the amount awarded.
 - o A typed report of the project or essay should include all of the points in this outline and be emailed to the CPFI Administrative Director at Office@CPFI.org within one month of completion of the plan or project. CPFI allows students to copyright all report; papers and essays attached with or connected to a scholarship but retains the first right of refusal to publish all said report, papers and essays.

*Preference will be given to plans or projects that are experiential in nature (clerkships, externships, or research involving subjects and patients) and are components of the curriculum, or may become a component of the curriculum. However, applicants are encouraged to submit

proposals culminating in scholarly essays or papers on topics or issues relevant to pharmacy and Christian life. The plan or project must be described in sufficient detail in order for the committee to judge the merit of the application and Christian relevance.

** The mentor or dean should give guidance to the student in completing the application, plan or project, and writing the report. The importance of writing and publishing the report or essay should not be minimized because of its inherent value and encouragement to future potential applicants. Failure of a student to submit a report or essay will cause the student to be ineligible for future CPFI scholarships and will be reported to the dean or administrator of the institution.
