

## Preceptor Advisory Committee Meeting

Dr. Martha Pauli, Dr. Sean Allman, Dr. Welly Mente, Dr. Palmieri (absent) Dr. Gary Takher, Dr. Luat Do, Mallory Smith, Nicole Jepsen, Jacqueline Garcia, Sienna Wheeler

Friday April 1, 2016 (8:00 AM – 10:00 AM)

| Topic  | Discussion  | Next Steps  |
|--|---|---|
| <u>I. General Introduction</u>   | <ul style="list-style-type: none"> <li>-Dr. Pauli introduced the revisions of the ACPE Standard 20 and their application to Preceptors</li> <li>-Also shared information about the available training courses from Pharmacist's Letter</li> <li>-Discussed the upcoming release of Preceptor Newsletter</li> </ul>  | <ul style="list-style-type: none"> <li>-encourage preceptors to continue educational development</li> <li>-continue PAC meetings to receive valuable feedback from preceptors in order to improve student education</li> <li>-CE Event will be held on June 18<sup>th</sup></li> <li>-Preceptor Newsletter to be released in June</li> </ul>  |
| <u>II. Addition of IPPE/APPE Sites and Additional Site Requirements</u>                  | <ul style="list-style-type: none"> <li>-Dr. Do is a District Manager of 12 Wal-Mart Pharmacies and is interested in becoming a preceptor for CNU-COP students</li> <li>-Dr. Allman is the Pharmacy Manager of Safeway in the San Francisco Mission District and is also interested in being a preceptor for IPPE/APPE students</li> <li>-Dr. Takher is unable to be a preceptor at this time, but will try to recruit more managed care sites</li> <li>-Dr. Allman mentioned that the pharmacy operates the computer system by assigning fingerprint log-ins so finger-printing may have to be an additional site requirement for this Safeway location</li> <li style="padding-left: 40px;">-other requirements may include online training, EPS access, etc.</li> </ul> | <ul style="list-style-type: none"> <li>-Follow- up with Dr. Lot and Dr. Allman and take necessary steps to ensure their sites are added to the list of available sites before Fall rotations are scheduled</li> <li>-Follow-up with Dr. Takher in the future if in need of managed care sites</li> <li>-Find out what specific site requirements would be needed for Dr. Allman's Safeway site and, if any needed, for Dr. Do's Wal-Mart sites as well</li> </ul> |
| <u>III. The Increasing Significance of Holistic Care in the Pharmaceutical Industry;</u> | <ul style="list-style-type: none"> <li>-Both Dr. Do and Dr. Allman emphasized the importance of Medication Therapy Management; pharmacists must also have a similar role to physicians in following up with patient care and progress</li> <li style="padding-left: 40px;">-Both are willing to train students to become up-to-date with this practice</li> <li style="padding-left: 40px;">-Both feel that it is the pharmacist's duty to stay updated and demonstrate significant activity regarding this component of patient care</li> </ul>  | <ul style="list-style-type: none"> <li>-Continue to train students in this aspect of pharmacy</li> <li>-emphasize Dr. Allman's and Dr. Do's qualifications in this aspect of pharmacy and patient care so that students are aware of the educational opportunity available to them</li> </ul>   |

|   |  |   |
|---|--|---|
|   | <ul style="list-style-type: none"> <li>-Discussion of offering MTM electives at their sites</li> <li>-Dr. Allman is completing MTM with 82% of patients and is trying to increase the rate to 100%</li> </ul>  |   |
| <u>IV. Possible Electives and Educational Opportunities</u> | <ul style="list-style-type: none"> <li>-Dr. Allman completed a 2 year training to obtain credentials to work with HIV patients in San Francisco and would like to offer to train students in MTM for HIV/AIDS patients as specialty or elective course</li> <li>-Additionally, Dr. Allman offers diabetes care at his sites, which presents a great learning opportunity as diabetes is such a pervasive illness in U.S. communities</li> <li>-Dr. Allman is certified to give Vivitrol injections, which is central to the city community, where a large number of people suffer from opioid and alcohol dependency <ul style="list-style-type: none"> <li>-Allman can teach students about the steps involved in the process, although they cannot administer the injection</li> </ul> </li> <li>-Dr. Do will reach out to his supervisor to see if she can prepare a Webinar for CNUCOP students <ul style="list-style-type: none"> <li>-no specificities provided as to the content</li> </ul> </li> <li>-Wal-Mart will begin offering free Blood Pressure screenings to increase community outreach</li> <li>-Dr. Do encourages pharmacists in his store to offer regular health fairs and would like to make this opportunity available for students on rotation at these sites</li> </ul> | <ul style="list-style-type: none"> <li>-Inform students about the many educational opportunities that Dr. Allman's site affords and encourage students who elect to complete rotations in the bay area to consider this site in the future</li> <li>-Request that Dr. Do provide an update regarding the Webinar and if this is still an option</li> <li>-Determine the type of content the Webinar will offer</li> <li>-Find out about upcoming health fairs that Dr. Do's pharmacies are involved in</li> </ul> |
| <u>V. Increasing Effectiveness in Career Training</u>       | <ul style="list-style-type: none"> <li>-Dr. Allman suggests that our students should keep logs of their activities during rotation so that they can show that they are well-rounded and demonstrate versatility in their training</li> <li>-Both Dr. Allman and Dr. Do want the students to engage directly with the patients and complete variegated tasks from day to day so that they have an all-encompassing learning experience</li> <li>-Everyone in the meeting agreed that it is more important to emphasize the learning opportunities that each site affords students so that they will focus on electing sites based on different experiences and training offered that is</li> </ul>  | <ul style="list-style-type: none"> <li>-Encourage students to log their activities during rotation</li> <li>-Develop a Course link on CANVAS that will allow students to access a series of interview questions and answers from preceptors of each site so that they know what kinds of training opportunities are available to them before they preference sites</li> </ul>   |

|                       |  |   |
|-----------------------|--|---|
|                       | central to their area of study or interest (i.e. research, clinical, etc.), rather than choosing simply by location  |   |
| <u>VI. Conclusion</u> | <ul style="list-style-type: none"> <li>-Discussion of next meeting time</li> <li style="padding-left: 20px;">-All attendees thought that Friday mornings are manageable</li> </ul> | <ul style="list-style-type: none"> <li>-Reach out to attendees, follow up with them, ask any specific questions, send minutes of the meeting</li> <li>-Determine date and time of next quarterly meeting and begin sending invitations to preceptors in order to increase turn out</li> </ul> |
