

Introducing the California Northstate University:

Alumni Memorial Scholarship Fund

California Northstate University College of Pharmacy is proud to announce the establishment of **The Alumni Memorial Scholarship Fund** to honor the memory of our beloved alumni who have passed away. Through this fund, we celebrate their legacy by supporting the next generation of students who embody the spirit, values, and excellence that defined their time at the College of Pharmacy.

Each contribution to the Alumni Memorial Scholarship Fund helps provide financial assistance to deserving students, empowering them to pursue their academic and professional goals. This scholarship not only eases the burden of tuition but also connects recipients to a proud tradition of alumni who continue to shape the world. The legacy and life of the alumni will be celebrated during the Alumni Memorial Scholarship Ceremony.

We invite you to join us honoring our alumni by making a gift for the fund. Your generosity ensures that their legacy lives on and that their impact continues to be felt for generations to come.

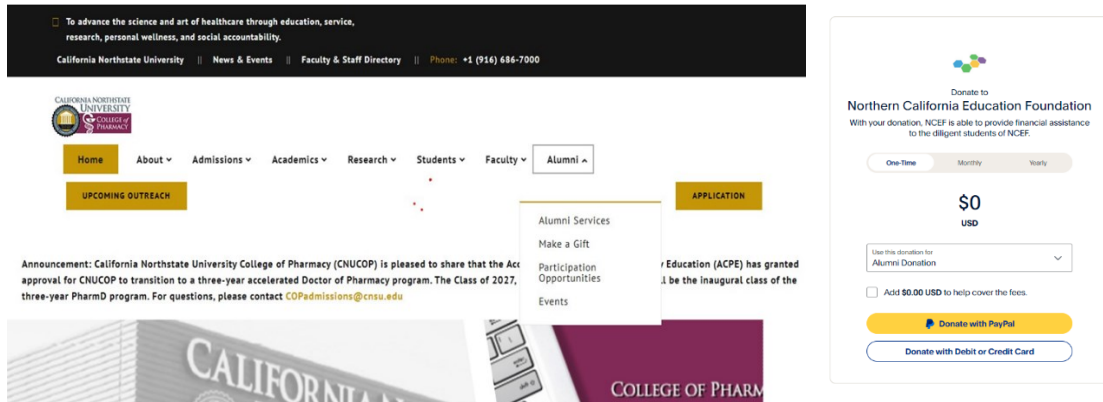

Together, we remember. Together, we inspire.

Warm regards,

Dr. Xiaodong Feng, PhD, PharmD
Dean and Professor, College of Pharmacy
University Senior Vice President
